BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO provided information on the Department of Labor's Wage and Hour Division (WHD) enforcement of the Fair Labor Standards Act (FLSA). GAO found that: (1) the full-time-equivalent staff years that WHD compliance officers spent on FLSA enforcement increased from 474 in fiscal year (FY) 1984 to 499 in FY 1986; (2) the number of FLSA compliance actions increased from 64,093 in FY 1984 to 72,617 in FY 1986, due to an increase in conciliation actions, rather than in investigations; (3) back wages due employees increased from 107 million in FY 1984 to 122 million in FY 1986, and the amount that employers agreed to pay increased from 78.5 million to 93 million; (4) most back wages due employees resulted from investigations rather than conciliations; (5) the number of FLSA complaints increased by 3,892 between FY 1984 and FY 1985, but decreased by 1,645 between FY 1985 and FY 1986; (6) Labor issued final implementing regulations covering state and local government employees; (7) Labor issued proposed regulations covering restricted home-worker industries to permit employers to legally employ home-workers under a certification system; and (8) WHD closed a number of area and field offices after 1981 for administrative and staffing reasons. This item ships from La Vergne, TN. Paperback.
