Institute for Fiscal Studies, United Kingdom, 2013. Paperback. Book Condition: New. 296 x 210 mm. Language: English . Brand New Book. The official statistics on the distribution of income and the extent of poverty in the UK in 2011-12 were released on Thursday 13 June 2013. Using the data underlying these statistics, this report analyses: - the changes in average incomes in the most recent year of data and the period since the start of the Great Recession ; - how the gap between rich and poor has changed and how this differs when looking at pre-tax-and-benefit income rather than net income; - the recent changes in both relative and absolute income poverty for the whole population and among different parts of the population; - the striking long-term changes in incomes and poverty rates for different parts of the population and different age groups; - the prospects for average incomes, inequality and poverty in the years ahead.
