

Terrorism and America: A Commonsense Strategy for a Democratic Society (Paperback)

Filesize: 4.66 MB

Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Germaine Welch)

TERRORISM AND AMERICA: A COMMONSENSE STRATEGY FOR A DEMOCRATIC SOCIETY (PAPERBACK)

MIT Press Ltd, United States, 2000. Paperback. Book Condition: New. Revised ed.. 226 x 150 mm. Language: English . Brand New Book. The bombings of the World Trade Center and the Oklahoma City federal building have shown that terrorist attacks can happen anywhere in the United States. Around the globe, massacres, hijackings, and bombings of airliners are frequent reminders of the threat of terrorism. The use of poison gas in the Tokyo subway has raised the specter of even more horrible forms of terror -- including the use of nuclear, chemical, and biological weapons. In this book, Philip Heymann argues that the United States and other democracies can fight terrorism while preserving liberty and maintaining a healthy, unified society. Drawing on his experience in the US Departments of State and Justice, he shows how domestic and foreign intelligence-gathering can thwart terrorism, how the United States must cooperate and share information with its allies, and how terrorism can be prevented in many cases. Terrorism will never disappear completely, but the policies Heymann offers can limit the harm to Americans and protect the integrity of US governmental processes.
