Brand New Book ***** Print on Demand *****.Excerpt from Thomas a Kempis, Vol. 1: And the Brothers of Common Life The present work has been the labour of many years, with the exception of some long intervals needed for other matters. The character of it was such that it could not be hastily written, since much patient research and labour were required, careful thought, and, in no small degree, a thorough comprehension of the works of Thomas a Kempis. In the Introductory Chapter the apology for writing these Memorials, the plan pursued, and the sources from whence the materials for the work have been taken, are set forth; and it is only to notice a few other matters that this preface is needed. Two or three objects have been kept steadily in view. First, to collect and set in order the many varied and scattered particulars relative to the Life and Writings of Thomas a Kempis.
