

Making Sense of Research in Nursing, Health and Social Care (5th Revised edition)

By Pam Moule

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Making Sense of Research in Nursing, Health and Social Care (5th Revised edition), Pam Moule, What is research? Why is it important in health and nursing? How should students use evidence in practice? This short and simple book for those who are completely new to research will answer all your students' questions about the subject. It will help them to make sense of the various and often confusing research methods and terminology, to read and appraise literature and to understand how research is implemented in practice. It features: * Case examples of real research from a variety of settings and a range of countries so that students can see how research applies to the real world * Tools, examples and frameworks to help students to find, appraise and critique research * Chapter learning outcomes and key points to help students to remember important information * A companion website with interactive glossary and reflective exercises to help students test their knowledge and apply it to practice, printable step-by-step frameworks for use when searching for or critiquing a paper, and direct links to relevant SAGE journal articles and weblinks. * Further resources for...
