With the usual 9-5 job, or a full family (or even both), and the hectic day to day life that interferes with our schedules, there s hardly ever any time to actually sit down and have dinner, much less actually work to create an appetizing meal. Even if there was, just the thought of the all the work and the clean up afterwards is enough to drive anyone to microwave meals or fast food. Dinner in a Flash (Fast Food From Home) with 30-minute meals is the savior to moments like this. Almost every dinner recipe mentioned in this book can be fixed in 30 minutes or less (and that s from start to table). That s better than the time it would take to drive to a fast food restaurant and wait for your order! Even better, the number of dishes used has been kept to a minimum so you can spend less time cleaning, and more time eating. Recipes include a recipe for the classic chicken and rice combination, a quick way to make lasagna, and even two easy ways to enjoy pork chops. Isn t it time to enjoy a nice dinner with your family? A dinner that tastes better (and costs less) than greasy fast food or microwaved frozen meals?.
