The Mysterious Oak Tree is about two boys that go on a very exciting adventure together. Filled with plenty of laughter, tension, compassion, sadness, and joy, this story will take you on a journey to a short destination before bringing you back to reality. The boys were playing behind a bush in the park when they realized that they were directly behind a large hill. As they traveled up the hill, they saw a huge tree at the top. By the time they made it to the tree, it was almost dark outside. As they began to go back down the hill, the tree lit up with beautiful lights that cast shadows in the dark sky. Later, the boys find out that the tree holds other magical mysteries about it. The excitement and mystery surrounding the tree prompted the boys to tell someone about what they had discovered. They went from place to place telling news media and radio stations about what they saw, but no one would believe them. Book Detail Summary: the title of this book is The Mysterious Oak Tree.
