Bettie Young s Books, United States, 2011. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.ABOUT THE BOOK The terrifying legend of Count Dracula silently skulking through the Transylvania night may have terrified generations of filmgoers, but the tall, elegant vampire captivated and electrified a young Jane Congdon, igniting a dream to one day see his mysterious land of ancient castles and misty hollows. Four decades later she finally takes her long-awaited trip-never dreaming that it would unearth decades-buried memories of life with an alcoholic mother, and trigger a life-changing inner journey. Unfolding in 18 days as she followed the footsteps of Dracula from Bucharest, to the Carpathian Mountains, and the Black Sea. Dracula s legend becomes the prism through which she would revisit her childhood and lay claim to a happiness she had never known. A memoir full of surprises, Jane s story is one of hope, love-and second chances. Unfinished business can surface when we least expect it. It Started with Dracula is the inspiring story of two parallel journeys: one a carefully planned vacation and the other an astonishing and unexpected tour in repairing a wounded heart. -Charles Whitfield, MD, Bestselling author, Healing the Child Within An elegantly written and cleverly told real-life adventure story proving that the struggle for self-love is universal. An electrifying read.-Diane Bruno, CISION Media.
