Filesize: 3.9 MB

Reviews

Complete guide! Its this kind of very good read through. This is certainly for all who statte there was not a worthy of looking at. I am just quickly will get a delight of looking at a composed publication.
(Kacie Carroll)

DEMONS IN MY MARRIAGE BED: A TRUE STORY OF SPIRITUAL WARFARE (PAPERBACK)

Fifthook Media, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about saving yourself, your family, or your marriage from evil destruction. It is a true and vivid account about one couple s struggle with witchcraft, spells, curses, and demons all attempting to dismantle their marriage and annihilate them personally. Its message is just as imperative for any individual whether single or married. Involved in an extra-marital affair with a practicing witch, and placed under a demonic love spell, which only the power of God could break, this couple found themselves in a very dark evil world of torment. The road back to peace was not an easy one, and a very real spiritual-war was taking place for their very souls. Their true story is frightening, as it is the tale of haunted people living a surreal life. However, God trained them to fight with the principles of spiritual warfare, and they teach the reader these Biblical principles, tools, and techniques for battling against the enemy of their marriage. Most people suffer from seldom-recognized demonization in their lives, which negatively affect them and their families. This book will show you what demonic tactics are, and how your enemy uses these tactics to subtly destroy your life, family, and marriage. This is not a book of psychology or counseling. It is a hard-core training manual for building up your marriage to fight the war raging all around you. It trains you and your spouse for a Martial Marriage. It will teach the both of you to become warriors. In this print edition, more information that reflects the insight of the past three years since the original eBook was published has been added. Also, a chapter teaching...
