Dreamscape Media, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 142 x 124 mm. Language: English Brand New. The mother of a bullied first grader, popular blogger Carrie Goldman's inspiring true story triggered an outpouring of support from online communities around the world. In *Bullied*, she gives us a guide to the crucial lessons and actionable guidance she's learned about how to stop bullying before it starts. It is a book born from Goldman's post about the ridicule her daughter suffered for bringing a Star Wars thermos to school - a story that went viral on Facebook and Twitter before exploding everywhere, from and to sites all around the world. Written in Goldman's warm, engaging style, *Bullied* is an important and very necessary read for parents, educators, self-professed Girl Geeks, or anyone who has ever felt victimized by a bully, online or in person.
