Language: English . Brand New Book. Praying Through Your Pregnancy shows a mother how to provide an early head start for her child through the power of prayer. With fresh spiritual insight, each chapter reveals what is happening with the baby's development that week, starting with the very first moment of conception, when God begins the creation of either a boy or a girl. Readers will learn how the confidence they place in God affects the healthy development of their precious growing baby, and how to reduce their own stress and anxiety by looking to the Creator. In this interactive guidebook, the author shares excerpts from her pregnancy journal as an encouragement for women to write their own thoughts and feelings, and each chapter ends with a Mother's Prayer and Scriptures for Meditation. Praying Through Your Pregnancy was a 2011 Christian Book Award Finalist.
