MY DOCTORS CAN SEE YOU NOW

Xulon Press. Hardcover. Book Condition: New. Hardcover. 312 pages. Dimensions: 9.3in. x 6.3in. x 1.1in. Dr. Minnie Boyer Woodruff grew up in a Central Florida family of eight children headed by two domestic workers during a time when segregation limited opportunities for individuals of color. Despite its humble origins, the Boyer household was replete with parental beliefs that one must love God, develop a strong work ethic, and take advantage of every opportunity that would enable one to make a living with brains rather than brawn. From the stories of Minnie's youth, one can see how this background shaped a woman who remained dedicated to achieving her dreams and then those of her daughters behind her. Minnie and her husband, Claude, instilled their 20th-century daughters, Edythe and Conchita, with the traditional values that enabled their own successes. With the resounding theme of prepare yourself and the doors will open as you approach, Edythe and Conchita were cautioned against shrinking away from any endeavor. Thus, they developed a deep sense of self that assured them anything was possible if they believed strongly and worked diligently. Minnie has long desired to share with others the extensive rewards of close parenting based on a strong value system, development of self-confidence, and a spirit of tenacity once a goal is set. In her memoir, Minnie demonstrates that while at times it may be difficult, it is certainly possible to raise children to fly high. Minnie Boyer Woodruff is a wife, mother, retired school principal, and a missionary in her church. *My Doctors Can See You Now: A Mother's Story* is an historical reflection on the way she grew up in a family of eight children with motivating parents and how her experiences influenced the way she raised her two daughters. It is a story about...
