

National Geographic" Field Guide to Birds: Carolinas

By Jonathan K. Alderfer

National Geographic Books. Paperback. Book Condition: new. BRAND NEW, "National Geographic" Field Guide to Birds: Carolinas, Jonathan K. Alderfer, "National Geographic Field Guide to Birds" provides affordable, portable, reliable region-specific information, perfect for the novice or experienced birder. In each guide, an introduction by an expert birder from the region offers guidance on where to look for key birds. An opening section gives pointers on how to look for key birds and what to focus on when you spot them. Each guide features approximately 150 birds, grouped by family. Two indexes: one alphabetical and one color-coded help readers identify a bird quickly. Each entry has a vivid photograph showing the bird in its native habitat. On the facing page, there is a list of bulleted points of field identification clues as well as behavioral and habitat information, and the best local places to find the bird. Special field notes give additional i.d. or behavioral information and detailed maps show the range of each bird's habitat. With comprehensive coverage of the region and valuable advice from experts, these user-friendly guides will quickly become favorite companions on the journey to lifelong birding. North and South Carolina, a favorite among bird watchers, are...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
