Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

SECTION 1 COMMODITIES The Advertising Man has to consider commodities from three main or general viewpoints. First, Commercial Considerations, which are those that relate to commodities in general. Second, Material Considerations, which are those that relate to commodities in particular. Third, Monetary Considerations, which are those that relate chiefly to the distinction between Price and Value and the conditions which are responsible for the distinction. CHAPTER I COMMERCIAL CONSIDERATIONS The commercial considerations of commodities refer to the relationship between commodities in general and the world of commerce. The advertising man who has a basic knowledge of these important points will be able to make the more specific analysis of a commodity as discussed under material considerations, and which is without question one of the most important steps that are essential to the proper construction and application of advertising. While the subject is one upon which volumes could be written, and read with benefit by the advertising man, it is herein confined to the five most important considerations. First--Those of advertisability. Second--Those of sources. Third--Those of substance. Fourth--Those of condition. Fifth--Those of efficiency. The Advertisability of a Commodity Is Dependent Upon the Scope of Its Utility The fact that a product is entitled to be designated as a commodity does not necessarily indicate that it is advertisable. There are many instances where a commodity may possess a high intrinsic value and yet have such a limited field of usefulness as to make salesmanship the...
