

Roebuck : Tales of an Admirable Adventurer

By Waterson Luke

Paperback. Book Condition: New. Not Signed; Description: Meet Anthony Knivet: gentleman, baker, lover, linguist, explorer, Englishman. And an indispensable advisor to celebrated generals and Portuguese governors alike. Not to mention the kings of several Brazilian tribes. Roebuck - Tales of an Admirable Adventurer is a swashbuckling tale of the highest order, following Knivet's escapades in South America during the 1590s. Desperate to prove his worth to his father and his betrothed, he embarks with Thomas Cavendish on the explorer's ill-fated circumnavigation of the globe. Portuguese colonists want to hang him as a heretic and cannibals wait in the jungle with a hankering for his flesh, but Knivet is determined to carve a name for himself in this brave New World, despite the bizarre, unsavoury and sometimes just plain evil characters that stand in his way. Whether acting as interpreter elect for the sadistic Cavendish; confidant to the devout but dangerous Governor of Rio de Janeiro; or the guide upon which the entire Portuguese army comes to depend, Knivet single-mindedly strives for the recognition he believes he is due. Finally, deep in the Brazilian jungle, he does find his calling: inciting the tribes to unite, rise up against their Portuguese oppressors and thus change the history...

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- Mr. Grant Stanton PhD

A whole new eBook with an all new standpoint. It is actually rally fascinating through reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
